

GALA OF GRACE

Benefiting North Shore Crisis Services Society (NSCSS)
Thursday, May 15, 2025 • The Pipe Shop • 11 AM to 2:30 PM
Proceeds support women and children facing violence in our community.

NSCSS is a registered charity providing emergency shelter, longer-term housing solutions, essential services, and preventative education for women and children affected by violence.

Our emergency shelter, SAGE Transition House, was the first of its kind on the North Shore. Now, clients not only have a safe place to stay – they have an entire support system devoted to helping them regain good health, independence, and confidence. With help from our community, we have expanded our services to support more in need and continue our efforts to end violence at home for good.

THE GALA OF GRACE

The Gala of Grace is a charitable event that brings together 300+ key figures from the North Shore. Since its debut in 2016, the Gala has consistently sold out, often with a growing waitlist (it sold out in two short hours in 2020!). We expect the same excitement and sell-out success for this year's event.

As a vital part of our mission, the Gala supports the safety of women and children facing violence and fosters community solidarity. This year, we are excited to host an elegant **High Tea** event for our 8th Annual Gala, with a goal to raise funds that will help address the growing complexities of domestic violence and work towards a future free from abuse. We also aim to enhance community awareness through attendance, media support, and social media engagement.

One of the most highly anticipated events in the fight to end violence is coming this Spring. To sponsor the cause, contact Sandra Lee at slee@nscss.net.

Many thanks for your kind consideration and for making a difference.
